PART – D

1. Surrender Benefit:

The Policy will acquire Surrender Value if all the Premiums have been paid in full for at least first two Policy Years. On Surrender, the Surrender Value, if any, will be immediately paid, the Policy will be terminated and all the benefits under the Policy shall cease to apply. On receipt of a written request for Surrender from you, we will pay the higher of Guaranteed Surrender Value ('GSV') or (Special Surrender Value ('SSV')).

Guaranteed Surrender Value ('GSV'):

The Guaranteed Surrender Value is equal to (GSV Factor x Total Premiums Paid) less Total Income Benefit Pay-outs[@] already paid till the date of surrender, if any

[@]Not applicable for Lump Sum Plan Option. The GSV is floored to zero.

GSV Factors varies with policy year of surrender and policy term and are given in Annexure 4.

Special Surrender Value ('SSV') : Your Policy also acquires a Special Surrender Value. Before making a request for Surrender, you may approach us to know about the Surrender Value in respect of your Policy.

2. Loan under the Policy:

Conditions for grant of a loan under the Policy: You may take a loan under the Policy by giving us a written request provided the Policy has acquired the Surrender Value. The maximum loan amount you may avail is a specific percentage of Surrender Value applicable under the Policy when a request for a loan is received less any outstanding Policy Loan plus accumulated/accrued interest, if any, on that date. The specific percentage is as mentioned below:

Without Family Income Benefit: 60%

With Family Income Benefit: 50%

Effect of grant of loan under the Policy: If a loan is granted by us under the Policy, then:

- Interest will be charged on the outstanding loan amount at a rate declared by Us from time to time based on then prevailing market conditions and will be equal to Three-year (tenure) SBI MCLR + 0.50% subject to floor of 7.00%. The rate of interest for policy loan as on Apr 2021 is 7.80% per annum. The interest on loan will be calculated on annual compounding basis. The interest rate methodology is reviewable with prior approval from IRDAI. We will review the interest rate at least once a year and if the interest rate is revised, the same interest rate will be applied to both existing and new loan from the date of revision.
- For In-Force and fully Paid-up policies: Policy can't be foreclosed on the ground of outstanding loan amount including interest exceeds the Surrender Value. For other than In-force and fully paid-up policies, if at any point of time outstanding loan amount and accumulated interest balance equal or exceed Surrender Value, then the Policy shall be terminated without value. Prior to this, we will notify you when your outstanding loan balance is 95% of the Surrender Value and will give an opportunity to repay all or part of the loan balance.
- Any benefit payable by us on the death of the Life Insured or on applicable Policy Anniversaries as Income Benefit Pay-out or on the Surrender of the Policy or on the Maturity of the Policy will first be reduced by any outstanding policy loan and accumulated interests, if any.

Any such Policy may be revived within a revival period of five years from the due date of the first unpaid Premium by giving us a written intimation to revive the Policy and payment of all overdue Premiums with interest, as may be declared by Us from time to time, for every completed month from the date of first unpaid Premium.

The Revival will be effected subject to the receipt of the proof of continued insurability of Life Insured and the acceptance of the risk by the Underwriter. Cost for the medical examination, if applicable shall be borne by the Policyholder. The effective date of Revival is when these requirements are met and approved by us.

Revival would be as per Board approved underwriting policy. All the benefits of the Policy will be reinstated on the Policy Revival.

Company may charge interest, as decided from time to time, on the unpaid Premium for every completed month from the date of first unpaid premium. The revival interest rate will be based on G-sec rate with 1 - 2 years maturity. Source to determine the G-Sec yield is www.ccilindia.com. The per month interest rate shall be $(x + 3\%)/12$ rounded upto nearest 0.25%, where x is G-Sec rate with 1 to 2 years maturity. The interest rate to be charged effective from Apr 2021 is 0.75% per month on unpaid premiums for every completed month from the date of the first unpaid premium. The interest on revival will be calculated on a simple basis. The interest rate methodology is reviewable with prior approval from IRDAI. We will review the interest rate at least once a year.
