10 Pay and 12 Pay

On premium discontinuance before two years' full premiums are received, the policy will be lapsed and no surrender value or paid-up value will be payable.

On premium discontinuance after first two policy years' full premiums are received, the policy will acquire paid-up value.

The policy is also eligible for Special Surrender Value and on surrender higher of Guaranteed Surrender Value or Special Surrender Value will be payable. The Guarantee Surrender Value factors are given in Annexure B.

POLICY LOAN

Policy loan is available once policy acquires surrender value. Maximum loan amount available is 90% of surrender value offered by the Company. Changed interest rate will be applicable for new loans only. The current loan interest rate is 11.75% per annum.

For reduced paid-up policies, if at any point of time outstanding loan amount and accumulated interest balance equal or exceed surrender value, then the policy shall be terminated without value. Prior to this, the Company will notify the customer when his/her outstanding loan balance is 95% of the surrender value and will give an opportunity to repay all or part of the loan balance.
