- In the above illustration, the Annuity payouts will start from 11th Policy Year onwards for Deferred Life Annuity and Deferred Life Annuity with Return of Purchase Price on Death
- In the above illustration, the Annuity payouts will start from 1st Policy Year onwards for Immediate Life Annuity and Immediate Life Annuity with Return of Purchase Price on Death

For National Pension System (NPS) subscribers:

All the Immediate annuity options explained above are available for the subscribers of NPS. The options 'Immediate Life Annuity with Return of Purchase Price on Death' and 'Immediate Life Annuity with Return of Purchase Price on Death (Joint Life, Last Survivor)' can also be bought under NPS – Family Income (a default option for government sector, NPS subscriber). The details for NPS - Family Income are as below:

Under this scheme, the annuity benefit would be payable in accordance with the regulations as prescribed by Pension Fund Regulatory and Development Authority (PFRDA).

As per current regulations, the annuity benefit will be payable for life of the subscriber and his/her spouse as per the annuity option 'Immediate Life Annuity with Return of Purchase Price on Death (Joint Life, Last Survivor)'. In case, the subscriber does not have a spouse, the annuity

benefit will be payable for life of the subscriber as per the annuity option 'Immediate Life Annuity with Return of Purchase Price'.

In case of demise of the subscriber before the vesting of the annuity, the annuity benefits will be payable for life of the spouse as per the annuity option 'Immediate Life Annuity with Return of Purchase Price'.

On death of the annuitant (s), the annuity payment would cease, and refund of the purchase price shall be utilized to purchase an annuity contract afresh for living dependent parents (if any) as per the order specified below:

- a) Living dependent mother of the deceased subscriber
- b) Living dependent father of the deceased subscriber

However, the annuity amount would be determined as per the annuity option 'Immediate Life Annuity with Return of Purchase Price' using the annuity rate prevalent at the time of purchase of such annuity by utilizing the Purchase Price required to be refunded to the nominee under the annuity contract.

The annuity would continue until all such family members in the order specified above are covered. After the coverage of all such family members, the Purchase Price shall be returned to the surviving children of the subscriber and in the absence of the children, the legal heirs of the subscriber, as may be applicable. In case no such family member exists upon the death of the last survivor, there would be a refund of the Purchase Price to the nominee.

However, if the subscriber does not want to opt for the default option mentioned above and wishes to choose the annuity option of his choice from the available annuity types or contracts with us, he/she has the option to do so at the time of purchasing the annuity

[This is only a simplified version prepared for general information. Policy Holders are advised to refer to Pension Fund Regulatory and Development Authority (Exits and Withdrawals Under the National Pension System) Regulations, 2015 for complete and accurate details as updated from time to time.]

Tax Benefits: You may be eligible for tax benefits as per applicable tax laws. Tax benefits are subject to change in the tax laws. Kindly consult your tax advisor for detailed information on tax benefits/implications.

Policy Loan:

Policy Loan is not available under this product.

Non-forfeiture Benefits

You shall pay the Premium for the entire Premium Payment Term. If agreed by us, you may change your Premium Payment Frequency during the Premium Payment Term, to any other Premium Payment Frequency as allowed under the plan. For Premium Payment Frequencies other than yearly mode, additional loadings as applicable will be applied on the Annualized Premium.

Premium Discontinuance:

Deferred Annuity

For Limited Premium payment option:

If all the premiums have not been paid in full for at least the first policy year, then on premium discontinuance, the policy will be lapsed, and no surrender value or paid-up value will be payable.

For policies with limited premium payment term of less than 5 years, immediately after the receipt of first full year premium, the policy will acquire surrender value till the end of deferment period. For other premium payment terms, after completion of first policy year, provided one full year's premium has been paid, then on premium discontinuance, the policy will acquire surrender value and paid-up value till the end of deferment period.

Post deferment period, an Early Exit Benefit will be available for annuity options with Return of Purchase Price on Death.

For Single Premium payment option:

Immediately after the receipt of single premium, the policy will acquire surrender value till the end of deferment period.

Post deferment period, an Early Exit Benefit will be available for Annuity Option with Return of Purchase Price.

Immediate Annuity

After the completion of the first year, for Annuity Option with Return of Purchase Price, there is Early Exit Benefit (as described below).

Reduced Paid-up:

Single Premium Payment Option

Not Applicable

Limited Premium Payment Option

If all the premium has not been paid in full for at least the first policy year, then paid-up value is nil. After completion of first policy year provided one full year's premium has been paid then on premium discontinuance the policy will continue as a 'Reduced Paid-up' policy and all the benefits shall be reduced proportionately.

The benefits paid under Reduced Paid-up value will be as per the table below:

Surrender Value:

Immediate Annuity

The Surrender Value will be nil for Immediate Annuity Type.

Deferred Annuity

The surrender value payable is higher of Guaranteed Surrender Value (GSV) and Special Surrender Value (SSV) for surrenders during the Deferment Period. The surrender value will be nil after the Deferment Period.

a. Guaranteed Surrender Value (GSV):

Single Premium payment option:

The policy shall acquire a Guaranteed Surrender Value immediately after the receipt of single premium.

Limited Premium payment option:

The policy shall acquire a Guaranteed Surrender Value on payment of premium for at least two consecutive years.

During the Deferment Period, the Guaranteed Surrender Value (GSV) will be $\text{GSV Factor} \times \text{Total Premiums Paid or Purchase Price (as applicable)}$.

After the Deferment Period, the Guaranteed Surrender Value (GSV) will be Nil.

b. Special Surrender Value: Your Policy also acquires a Special Surrender Value. Before making a request for Surrender, you may approach us to know about the Surrender Value in respect of your Policy.

If Annuity is purchased by way of transfer of Purchase Price on vesting or surrender of deferred pension policies from Edelweiss Life Insurance Co. Ltd or from any other Insurer, the proceeds from surrendered policy will be utilized to purchase an immediate or deferred annuity from Edelweiss Life Insurance Co. Ltd or will be transferred to the Insurer (of the deferred pension policy) from where the money was received as the case may be.

Early Exit Benefit:

Early Exit Benefit will be made available as mentioned in the 'Premium discontinuance clause' for the below annuity options:

1. Immediate Life Annuity with Return of Purchase Price on Death.
2. Deferred Life Annuity with Return of Purchase Price on Death

Before making a request for Surrender, you may approach us to know about the Early Exit Benefit value in respect of your Policy.

If Annuity is purchased from the proceeds of the NPS fund, the proceeds from exited policy will be utilized to purchase an immediate or deferred annuity from Edelweiss Life Insurance Company or will be transferred to the Insurer (of the deferred pension policy) or to the Trustee Bank/ Central Record Keeping Agency (CRA) from where the money was received as the case may be.

Exit shall not be allowed for annuities issued under NPS after the free look period except due to any legal requirements or any specific cause as stipulated through regulations, guidelines, circulars/ notifications from time to time.

Free Look Period

You have a Free Look period of thirty (30) days beginning from the date of receipt of the Policy Document, whether received electronically or otherwise, to review the terms and conditions of this Policy. If you disagree with any of the terms or conditions, or otherwise, and you have not made any claims, you may return this Policy for cancellation to us by giving us written reasons for your objection within the said Free Look period. We will refund the Premium received after deducting stamp duty charges, proportionate risk premium for the period of cover, if any and expenses incurred by us on medical examination (if any) of Proposer/Life Insured.

To exercise the Free Look option, you would need to send the Policy Document along with a request letter to us at any of our branches or at our Corporate Office address provided below. You are required to maintain the acknowledgement received from the Company as a proof of submission.

Policyholder can apply for freelook cancellation:

1. If this policy is purchased by the Nominee/beneficiary (in the event of death of the deferred pension policyholder) by transfer of purchase price from any deferred pension product OR if it is purchased directly by the Policyholder: The proceeds from cancellation in the free-look period after deducting any annuities paid will be refunded
2. If this policy is purchased out of proceeds of a deferred pension plan of any other Insurance Company: The proceeds from cancellation will be transferred back to that Insurance Company.
3. If this policy is purchased out of proceeds of a deferred pension plan of Edelweiss Life Insurance Company where open market option is available: The proceeds from cancellation will be transferred to that insurance company from whom the Policyholder wants to purchase annuity, if applicable.
4. If this policy is purchased out of proceeds of the NPS fund: The proceeds from cancellation in the free-look period after deducting any annuities paid will be transferred to the Trustee Bank/

Central Record Keeping Agency (CRA) from where the money was received.

Exclusion

Suicide Claim:

During Deferment Period, in case of death of the Annuitant is due to suicide within 12 months from the date of commencement of risk under the policy or from the date of revival of the policy, as applicable, the nominee or beneficiary of the policyholder shall be entitled to at least 80% of the Total Premiums Paid till the date of death or Surrender Value available as on the date of death whichever is higher, provided the policy is In force. The policy will terminate on making such a payment, and no further benefits are payable.

In case of death due to suicide after the Deferment Period for Deferred Annuity and for Immediate Annuity, the suicide clause is not applicable and Death Benefit as per the option chosen will be applicable.

Statutory Information

Vesting of Ownership: Not Applicable

Grace Period:

If we do not receive the Premium in full by the premium paying due date, then:

- i. We will allow a Grace Period of 15 days where the Policyholder pays the Premium on a monthly basis, and 30 days in all other cases during which you must pay the Premium due in full. The Policy will be In force during the Grace Period.
- ii. All the benefits under the Policy will continue to apply during the Grace Period.

Nomination

Nomination is allowed in accordance with the provisions of Section 39 of the Insurance Act, 1938 as amended from time to time.

Assignment

Assignment is allowed in accordance with the provisions of Section 38 of the Insurance Act, 1938 as amended from time to time.

Revival:

If due Premiums are not paid within the Grace Period, the Policy shall lapse or become Reduced Paid-up as the case may be. Any such Policy may be revived within a revival period of five consecutive complete years from the due date of the first unpaid Premium by giving us a written intimation to revive the Policy and payment of all overdue Premiums with interest (simple basis), as may be declared by the Company from time to time, for every completed month from the date of first unpaid Premium.

The Revival will be considered subject to the proof of continued insurability of Annuitant and the acceptance of the risk by the Underwriter. Cost for the medical examination, if applicable, shall be borne by the Policyholder. The effective date of Revival is when these requirements are met and approved by us. Revival would be as per 'Board Approved Underwriting Policy'. All the benefits of the policy will be reinstated on the policy revival.

The revival interest rate will be declared on 1st April every year using G-sec rate with 2 years maturity as at 31st March of the same calendar year. The per month revival interest rate shall be $(x + 3\%)/12$ rounded up to nearest 0.25%, where x is G-Sec rate with 2 years maturity.

Source to determine the G-Sec yield is www.ccilindia.com. The declared revival rate will be applicable for all the revivals till next declaration date i.e. 1st April of next year.

Any change in basis of determination of interest rate for revival shall only be done after prior approval of the Authority. The interest rate to be charged effective from April 2024 is 1.00% per month (simple basis) on unpaid Premiums for every completed month from the date of the first unpaid Premium.

Prohibition of Rebate: (Section 41 of the Insurance Act, 1938, as amended from time to time) No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an Insurance in respect of any kind of risk relating to lives in India, any rebate of the whole or part of the commission payable or any rebate of the Premium shown on the Policy nor shall any person taking out or renewing or continuing a Policy accept any rebate except one such rebate as may be allowed in accordance with the published prospectus or tables of the Insurer. Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees.

Non-Disclosure Clause: (Section 45 of the Insurance Act, 1938, as amended from time to time) No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of policy, i.e. from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later. A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based. Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal. For further details, please refer to the Insurance Act, as amended from time to time.
